Dianne Quibell, MD is a board certified practicing Internist in Wellesley Hills, MA, the Medical Director of MD TLC, Inc., and is an Assistant Clinical Professor of Medicine at Harvard Medical School. Dr. Quibell has over nine years experience combining internal medicine with medical aesthetics. She has been a lecturer and luminary for five laser technology companies since 2001. She has privately trained over 500 clinicians nationally in aesthetic laser/light based

technologies, toxins, biofillers and laser assisted lipolysis.

Dr. Quibell is Vice President of the American Board of Laser Surgery, a Fellow of the American Society for Laser Medicine and Surgery, a Member of the International Society for Cosmetic and Laser Surgery, and a Member of the American Society for Photodynamic Therapy. She is also a member of the Medical Spa Task Force of the Massachusetts Board of Registration.
